Pauline's BIG Day!!!

Guilsborough resident Pauline Boyes celebrated her 100th birthday on 27th November 2025, joining her husband Ron as a centenarian, who achieved his milestone birthday back in April.

Pauline was born in Rugby on 27th November 1925. She left school at the age of 14 and as part of the Women's Voluntary Service served refreshments to the troops passing through Rugby Station. She later joined British Thompson Houston in Rugby as a secretary where she met Ron. They married in 1947, setting up home in Bilton, Rugby where their three children, Lydia, Elizabeth and Ian were born. In 1964 the family moved to Manchester for Ron's work, returning to the area in 1968 when the family moved to Church Mount, where Pauline and Ron still live today.

Trevor Reay

From 1983, Trevor developed a local oil distributor in Brixworth alongside Tony Watson. After a change of ownership, Trevor decided it would be wise to leave that company in May 2018. Two years later in September 2020 an opportunity came along. Trevor came out of an early retirement and locally started Compass Energy.

Our vision is to build an old-style local fuel distribution. Since 2022, Trev has now been joined by his long-standing ex-colleagues, Jess McClorey, Ian Taylor & Ruth Threadgold in our Sywell office.

Pauline's BIG Day

/cont'd from page 1
Pauline and Ron have enjoyed many happy years in Guilsborough and have fond memories of friends and neighbours in the village over the years. Pauline worked at Cottesbrooke Hall as a secretary, and also for Colonel John Lowther, Lord Lieutenant of Northamptonshire. She was active in village life for many years including being involved in many productions by Guilsborough Music and Drama Society and in the role of their Secretary. She was also President of the Women's Institute and a Governor of Guilsborough C of E Primary School as well as on the rota for the Church floral arrangements. Pauline celebrated her 100th birthday with Ron and their three Children at their

daughter's home in Leicester. On Saturday 29th November a party was held at Guilsborough Village Hall where all the family, including Grandchildren and Great Grandchildren and close friends joined to mark this exceptional event. Pauline would like to thank everyone for the cards and good wishes she received on this special birthday. Lydia, Elizabeth and Ian are so proud and thankful that both their parents have been able to celebrate the remarkable achievement of reaching their 100th birthdays. The photo of Pauline and Ron was taken on the day of her 100th birthday. They are holding the trio of cards received this year from the King and Queen - one for each of their 100th birthdays and a further card celebrating their 78th Wedding Anniversary in July.

COTTESBROOKE NEWS

Thomas Harris

On a cold November night, long-time village residents, “the Harris family” made the trip to Franklins Gardens, home of the Northampton Saints, to see the induction of their Grandfather, Great Grandfather and Great Great Grandfather, Thomas Harris, into the Saints hall of fame.

Thomas played in the 1920s & 30s with an astonishing 426 caps to his name making him one of the top five appearance makers in the clubs history as well as one of the top leading try scorers. He also represented his country twice, pulling on the England Jersey in Five Nation clashes against Scotland and Ireland.

Off the field Thomas married my Gran Nancy in 1930 and set up home in Cottesbrooke running the family greengrocer and fish monger business until his untimely death in 1958 at the age of 51.

We never, unfortunately, got the chance to meet Thomas, but it was a great honour to be presented with a Hall of Fame Cap to go alongside his England Caps. A very proud and emotional night.

Christmas Fair

2025 saw the biggest and best Cottesbrooke Christmas Fair by far. The Village Hall welcomed over 20 local traders selling their creations to over 200 visitors. From Christmas Décor to plants and bulbs, delicious food to latest fashions and local artists, there was something for everyone to help kickstart their Christmas shopping. Both traders and shoppers commented on the wonderful atmosphere and the event helped to raise around £800 which goes towards the maintenance and improvements to the village hall and play area. The village hall committee would like to say a big THANK YOU to everyone who came along to support the event and especially to village resident Heidi who supplied all the beautiful decorations.

Over the Counter

This Christmas just gone has seen some of the best days of trading that the shop has ever had. It is almost as if after over seven years of being part of the community, it feels like it has settled in. Setting up a community shop is always a challenge but they are a winner. In a recent report by Plunkett UK, a national charity which supports people in rural areas to set up and run community enterprises, community-owned businesses have a long-term survival rate of 94%. And Our Shop, Your Shop is here to stay. So Happy New Year and keep coming in to see what we have got.

Customer Alan Comley (right) tasting dips with Creaton Shop Manager Adam Perrins-May

Keeping the shop well-stocked is really important, and we have the things you might need in a hurry and those things that you want to take home and enjoy. As well as having deliveries from some excellent suppliers and from runs to the cash-and-carry, we have seasonal products from local sources, particularly this year apples and vegetables from your gardens.

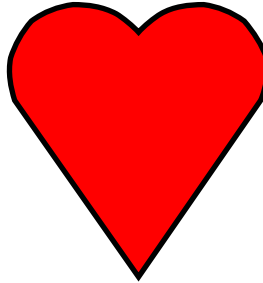

We also try to cover when gaps appear and Christmas was a good example. When our bread supplier took a well-earned two week break. How did we cope? We stepped up our own baking, supplying bread and rolls in addition to the various pastries that are cooked every morning - and usually gone by lunchtime. So bravo to the band of bakers!

And with a busy Christmas comes potential for stress and the Shop would like to thank all our customers for your patience and politeness whilst waiting to be served. But we think you know what to expect, and a bit of a queue is good chance to have a chat.

On some of the days leading up to Christmas someone would pop out from the back with a tray of something to taste, promoting a recipe. Did you have a go? Do let us know how you got on.

It was great to see some of our volunteers back from university for the Christmas holidays and willing to work for a couple of

hours of so in the shop. Are you looking to do something different in 2026? Do you enjoy being with friendly people and helping our community? Pop into the shop and arrange to have a taster training session to become a volunteer. You don't have to commit to a regular day of the week or time, just put yourself on the rota when you are free.

Now, we look forward. February, the month of romance (or have I just made that up?) is upon us and for Valentine's Day - or any day - have a look at our LOVELY gifts and LOVELY range of cards to (re)ignite those flames of passion. You might like to let us just how successful that was but do spare us the details.

In March, keep a look out for mad hares and in the Shop, for Easter eggs and other eggciting things to welcome in the Spring!

CREATON NEWS

Creaton Walkers

December saw a record turnout for the Creaton Walking Group, with 15 walkers plus 2 dogs completing an 8-mile walk before being joined by our supporters for a splendid lunch. The Brampton Halt did a sterling job serving 26 people (and 3 dogs!) with delicious hot food in a festive atmosphere. 2026 got off to a good start with a lovely walk in the Brixworth / Pitsford area, taking in a coffee stop round the reservoir. Walks take place on the second Saturday of the month. Meet at 10am at Creaton lychgate, and bring walking boots and water. Well-behaved dogs are very welcome, as are their owners! Why not make walking a New Year's resolution you can easily keep? Next walks are on:

Saturday 14 February
Saturday 14 March

Creaton WI

Writing this at the beginning of January, we are most appreciative of the support and interest shown by the local community in the training session with St John Ambulance, on using a defibrillator and giving CPR. By the time you read this, the session will have taken place; hopefully, it went well and everyone enjoyed it and found it useful!

Below is our meeting programme for the next 3 months, in the URC unless otherwise stated:

- February 11th (2.30 p.m.) A talk on "The History of the WI" (Creaton WI is 102 years old this year!)
- March 11th (2.30 p.m.) AGM (Members only)
- April 8th (7.30 p.m.) "The Work of Water Aid" – a talk by Richard McMahon

All are welcome to the February and April meetings. For more information contact President, Daphne Clark, 01604 505546 or email wicreaton@gmail.com.

Volunteer Drivers Required

Are you willing and able to, from time to time, drive someone from Creaton for a medical appointment to the doctors, hospital, dentist etc?

You will be paid 45p per mile plus car parking.

Please contact Jane on 07879 604029 if you are able to help.

Many thanks to everyone who has already volunteered.

Creaton Singers

What a wonderful Christmas season full of music and concerts! The Creaton Singers are delighted to report that, thanks to all who came and supported their Christmas concert, £447.52 was raised for the Alzheimer's Society. Despite the various cold and flu bugs circulating at the time, the 25 singers and our wonderful Musical Director, Jamie, all managed to escape them for that day at least and so had a full turnout.

As Winter thinks about turning into Spring, the singers are now focussing on new music and thoughts of a concert to raise funds for another worthy cause. Watch this space!

Friends of St Michael's History Group

January's meeting started a run of talks specifically about the village's own history. Richard Hollingum gave a brief history of St Michael & All Angels as it celebrates its 800th birthday.

February's (19th) speaker, Rev Geoff Townsend, will tell of the United Reform Church's history in Creaton. In March (19th) Patsy Hollingum will be sharing her research in a talk entitled 'Discovering the Orlands'. The Orlands were a family of millers and farmers in and around Creaton throughout the 19th century. Many of them are buried in the churchyard. All talks start at 7:30pm and are followed by a drink and time for an informal chat. To find out more about the FOSM, email Richard: richardhollingum@icloud.com.

Parish Council News

Great news!

We are at last installing some new play equipment in our Playground. Thanks to the fundraising efforts of the Guilsborough Playground Action Group which includes the successful application for £5,000 from The Winwick Windfarm Fund Community Fund and monies from the Parish Council two new pieces of play equipment should have been installed by the time you're reading this! Our thanks go to all the members of the group for their hard work in helping achieve this; in particular Dave Wooldridge for all his hard work and determination in achieving a successful grant application and also to Linsey & Josh Burton for the use of their facilities where the bulk of the other fundraising was achieved.

Grit Bins

Our grit bins have saw some heavy use in January and thank you to all of you that did some spreading, helping to keep people safe. We are considering if we've got enough grit bins around the village and are in the process of assessing where traffic recently struggled.

On Street Parking

We are noticing more instances of poor/inconsiderate parking with some examples being footpaths being obstructed, vehicles

parked far too close to junctions and vehicles facing the wrong direction for the side of the road they're left on, The Highway code itemises where you shouldn't park so please make sure you're aware of them. You could be held responsible should an accident occur.

Lamp Post EV Chargers

Do you have an opinion on lamp post EV chargers? We'll be discussing the possibility of public EV chargers in Guilsborough at our February meeting so if you have any thoughts about them please do share them, either in person with any councillor or by email or letter, contact details are on our website at Guilsborough-pc.gov.uk.

Speeding Traffic

There are still instances of cars travelling at vastly excessive speeds in the village, please do obey the speed limits.

Precept

We finalised our 2026-27 budget at our January meeting and have requested a precept of £38,280. This will allow us to maintain the services that we currently provide, continue to invest in our play area and build up a reserve for the inevitable maintenance demands of the Cob Barn.

GUILSBOROUGH NEWS

Graham Byars Retires

We are sad to announce the retirement of Graham Byars after 38 years as Secretary of the GPFA. He has served the village and the Playing Field with great devotion and care. Graham was an active cricketer and supported the Bowls Club when it operated on the Field. He not only acted as Secretary but also did all the administrative work and supervised (and in many cases did!) the maintenance work. He has left an indelible mark on the community. He saw the use of the field by many thousands of mainly young people playing cricket and football which has no doubt benefited them in their future lives. There are few vocations, and Graham's was a vocation, where you can affect individuals so profoundly. I say vocation because throughout those thirty eight years he did this as a volunteer without any remuneration apart from the delight of seeing the Playing Field used. Throughout he was supported by Barbara, his wife of many years. We wish them both an easy retirement from the task of keeping the grass mown, the pavilion watertight and goalposts and nets upright!

Frederick de Lisle, Chair GPFA

Graham Byars Esq.

Club Secretary, GPFA, 1987 - 2025

In recognition of 38 years of exceptional service. Your unwavering dedication has been the foundation of our football, bowls and cricket clubs and the keystone to supporting all our members. Through nearly four decades, you have served with distinction and quiet excellence. Your commitment has shaped our club's proudest moments and secured its future.

With deepest gratitude and admiration

The Committee and Trustees of The Guilsborough Playing Field Association 2025.

Bridge Day Raises £1,780

The local community came together on **6th November 2025** for a highly successful Bridge Day in support of the GPFA. The event, organised and run by Julia Moorhead and Lucy Tomkins, drew enthusiastic participation and generous contributions, resulting in a fantastic fundraising total of **£1,780**.

The day was filled with good-spirited competition, friendly conversation, and a shared commitment to supporting our local facilities. The final amount raised marks a significant contribution to the ongoing development of the village's playing fields.

The success of the event was made possible thanks to an outstanding team of volunteers who supported every aspect of the day, from setting up tables to serving refreshments and managing the busy kitchen. Warm thanks go to all those who helped, their hard work ensured the day ran smoothly from start to finish.

The organisers also expressed gratitude for the generosity of local individuals and businesses whose contributions added to the occasion. **Laura and Johnny Goedhuis of Goedhuis Waddesdon** kindly donated the wine, while the **Guilsborough shop** provided chocolates. Additional raffle prizes came from a range of supportive local businesses. Special thanks also go to **Hugh and Amanda Lowther** and **Richard and Libby Evans** for their donations.

All the home-cooked food served on the day was prepared by Lucy and the Moorhead family, helping to keep costs to a minimum so that nearly every pound raised could go directly to the GPFA.

Lucy and Julia: *"We are absolutely delighted with the result. Guilsborough showed its true community spirit, and we are so grateful to everyone who helped make the Bridge Day both enjoyable and impactful."*

From the Headteacher

Wishing our Guilsborough family a very happy 2026!

Throughout the Autumn term, things have been non-stop here! Our Nativity play by Reception, Year 1, 2 & 3 children was a real treat and I'm so proud of all children

for their first-class performances. I'd like to thank all staff involved in putting this perfect production together and to the parents for their support.

We are very thankful to the parents and staff who made our annual 'Bake-off' event so special. Graham Leah, our Chair of Governors again had such a hard time judging but found a winner in the end, so well done to Iris in Class 4/5! Also well done to our School Council who had the pleasure of judging the teacher bake-off, which Mrs Sharpe deservedly won!

We have been doing lots of fundraising over the term including the bake-off, hamper raffle and Santa visit so we'd like to say a HUGE thank you to everyone involved. We have raised lots from all of these events and couldn't have done this without your support. The School Council will be deciding on what they feel the money could be spent on to make our school even better. Our end of term house winning team was Earth! They had a super time at their festive chocolate fun afternoon. They drank delicious hot chocolate, made festive chocolate goodie bags to take home and watched Christmas cartoons. Fun was had by all!

HOLLOWELL & TEETON NEWS

Hollowell Steam Senior Citizens Christmas Lunch

On Sunday, 7th December, approximately 50 senior citizens from Hollowell and Teeton gathered once again for a fabulous afternoon of entertainment and food, hosted by the Hollowell Steam and Heavy Horse Show.

This cherished tradition is rooted in the origins of the Steam Rally, together with its long-standing support for the Church and the village of Hollowell.

The wine flowed, crackers were pulled, and musical entertainment was provided by the Daventry Ukelele band and singers. Guests enjoyed a delicious three-course Christmas dinner, thoughtfully served by the Rally team.

After lunch, while enjoying mince pies and tea or coffee, prizes and gifts were distributed.

The afternoon concluded with everyone joining in to sing carols and Christmas songs, including a hilarious rendition of the Twelve Days of Christmas involving a pink flamingo in a palm tree.

Everyone enjoyed an amazing time and the villagers would like to express their thanks to Neil, Martine and all the Hollowell Steam Team, for raising spirits high and warming hearts.

Café Christmas 2025

Last year's Café Christmas event was a wonderful showcase of local talent and festive spirit.

From hand-thrown bowls and mugs to oil paintings of local vistas, wooden gnomes, bird boxes, and miniature Christmas cakes, there was a splendid array of locally crafted produce on sale. The café's hot bacon, egg, and sausage rolls proved to be a particular triumph, complemented by delicious coffee and homemade cakes.

Jacob Oswin managed the Christmas tombola with great aplomb, adding to the event's vibrant atmosphere.

We extend a heartfelt thank you to everyone who attended and to all the jolly helpers working behind the scenes. Thanks to your support, the event raised over £500, which will go towards the maintenance of the Village Hall.

Well done to all involved!

Hollowell Hens Wreath Making

Mid December saw the annual gathering of the Hollowell Hens for an evening constructing Christmas wreaths in the Village Hall. Fir and holly had been gathered from the hedgerows and gardens scoured for greenery and festive berries.

A Family Christmas in the Village Hall

It seems like yesterday that five of us sat down to Christmas lunch. Over the years our numbers grew as people joined the family, but it was a bit of an eyeopener when I realised, I had to plan for 14 people to sit around the table made for ten.

After much head scratching I thought of the Village Hall. Those of you who know the Village Hall in Hollowell know it is the old school room; it's small enough to be cosy and very pretty and well equipped.

When I told friends in the village they rallied behind the idea. Hugh and Paul, left up the fairy lights they had put up for Café Christmas, Ken and Charlie arrived with a Christmas tree and lovely Sue made three beautiful window displays from her garden.

It was a roaring success and won over the most sceptical family member. The six under sixes had room to play and explore whilst the adults could sit in a leisurely manner enjoying a lunch that had benefitted from the use of two ovens - fourteen people can eat a lot of roast potatoes!

So thank you Village Hall Committee. We are so lucky to have such a wonderful facility in the village, and you work very hard to make it a really attractive option.

P.S. I've already booked it for next Christmas Day but if you get in quickly Boxing Day is still available!

C Morrell

Hollowell Christingle Service

It was lovely to see Hollowell Church full of carolling families on Christmas Eve. Kathleen Litchfield's nephew, James Bonser expertly led us on the organ as we sang much-loved Christmas carols and the Rev Caroline ably guided us through the service, which included seasonal readings by Claire Morrell, Pauline Kirton, Gill Brown, Paul Charter and Caleb Charter.

The service incorporated Christingle oranges, topped by candles, which were much enjoyed by children and adults alike, and we ended the service singing our final carol by candlelight. My favourite

moment was watching one of the youngest members of the congregation breakdance during Away in a Manger. Clearly, the Holy Spirit was strong in Hollowell Church that festive night.

The home baked refreshments after the service were enjoyed by all and provided a welcome opportunity to share the anticipation and excitement of Christmas with friends old and new. Half of the Christmas collection will go to the Children's Society, which works with children in the UK in all kinds of need.

The evening was organised by Chief Hen, Sarah Mourant and wine and nibbles fuelled the creative flow.

The group crafted a collection of lovely and varied wreaths, ready to adorn the doors of Hollowell and Teeton throughout the Christmas season.

It's time I revealed one of my big secrets. Yes, I'm writing at the turn of the year and feel that this one I've kept too long. Here goes: I really want to go to bingo.

It started, probably, with community lunches in Cold Ashby run by the wonderful, late, Christine Sellers with delicious meals cooked by Sally from Creaton. The meal would be followed by a quick game of bingo and I was surprised by how exciting I

found it. Luckily I'm not burdened by an addictive personality so a gambling addiction isn't a worry for me, but I did find the game fun and even a little bit thrilling. I'd love to be able to go along to a bingo hall with a group of friends and enjoy a few games and share some drinks and snacks. So, I looked at the website for a local venue – my goodness it's complicated! There are so many options and prices, and that's before you even get there. And then how does it work when you actually start to play? Inevitably I keep putting off going and live in hope of someone who already goes asking me along with them.

When I saw all the lovely people gathered in our churches over

Christmas, it got me wondering, would anyone really like to come to church at other times? And if so, is there a 'Bingo factor' stopping them? Church can seem very complicated with all the different kinds of services and times of day and standing up and sitting down and shaking hands and arriving and leaving – pretty terrifying when you don't know where to start.

I'd just like to say that if anyone reading this WOULD like to give church-going a go, please get in touch with me or another one of the vicars or talk to someone you know who goes to church. We can find someone who's more used to it to give you a hand over the first few hurdles so that you can find out whether you'd like to make it a part of your life. All our congregations have people who are police checked and trained in safeguarding (a necessary requirement for lots of people who have responsibilities in the church) so there'd be no need to worry on that score.

I tell you what, if more than one person approaches us about this, I'll take it as my challenge to brave it and give bingo a go.

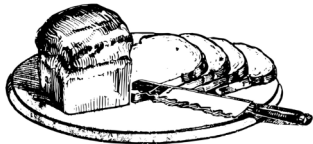

With my prayers and blessings,

Rev Caroline

Joe Carpenter and Son

The churches of Spratton and Guilsborough hosted evenings of music, dance, rhyme and drama on 12th and 13th of December in a production of Joe Carpenter and son, a nativity play with a difference. There were great performances by vicars, hand bell ringers, guitarists, and many members of the local community from every age group providing a fun and heart warming evening of entertainment followed by mulled wine and mince pies. Pam Townsend directed the play and Roger Brandon Jones in his inimitable inventive way provided the camels for the 3 wise men as well as the clever set. It was a wonderful evening full of community spirit. Thank you to everyone who made the two evenings so successful.

Monthly film nights: our February Film

is **Roofman**: “A charismatic criminal, while on the rung from the police, hides in a hidden space of a toy store. There, he adopts a new identity and becomes involved with an employee, beginning a relationship as unlikely as it is risky.” In March we are showing **The Choral**: “A choral society’s male participants enlist in World War I, leaving the demanding choir master Dr Guthrie to recruit teenagers. Together they experience the joy of singing while the teenage boys grapple with impending conscription into the army.” Our films are on the last Tuesday of the month at 7.30

(doors open at 7). Tickets are £7.50 from the library or the Peephole in Long Buckby High Street. Refreshments available, including ice creams.
